Dear Recipient Name Employer:

I refer to your request that I obtain a vaccination because of the recent Public Health Order.

I am presently seeking advice concerning the vaccination, and whether or not it is a medically appropriate treatment for me.

Please be advised that there is a current case before the Supreme Court of NSW, and in which the Court is being asked to consider whether the current Public Health Orders are valid, or whether they are invalid; and because of inconsistencies with the Australian Immunisation Register Act 2015 (Cth) and the Biosecurity Act 2015 (Cth).

Orders are being made in the proceedings for the purposes of bringing them on for hearing.

I request that you permit the Court to determine the issues as to whether or not it is lawful for me to be subjected to a mandatory vaccination, before you seek to impose this outcome on me. I look forward to revising this issue with you when the outcome of the Court process is known. As matters stand, it is illegal to seek to impose a medical outcome upon me, without my consent. Accordingly, and for present purposes, please respect my decision whilst we await an answer from the Court.

Sincerely,
